

# For my lover

Akkorde em-G-D-A

Tab ist hier <http://www.guitaretab.com/t/tracy-chapman/119907.html> - ist ja vollkommen Banane!  
Klingt voll gacke, nee.

Also: Besser ist auf jeden Fall die oben genannte.

## Text:

Two weeks in a Virginia jail  
For my lover, for my lover  
Twenty thousand dollar bail  
For my lover, for my lover

And everybody thinks  
That I'm the fool  
But they don't get  
Any love from you

The things we won't do for love  
I'd climb a mountain if I had to  
Risk my life so I could have you  
You, you, you...

Everyday I'm psychoanalyzed  
For my lover, for my lover  
They dope me up and I tell them lies  
For my lover, for my lover

And everybody thinks  
That I'm the fool  
But they don't get  
Any love from you

The things we won't do for love  
I'd climb a mountain if I had to  
Risk my life so I could have you  
You, you, you...

I follow my heart  
And leave my head to ponder  
Deep in this love  
No man can shake  
I follow my heart  
And leave my mind to wonder  
Is this love worth

The sacrifices I make?

Two weeks in a Virginia jail  
For my lover, for my lover  
Twenty thousand dollar bail  
For my lover, for my lover

Everyday I'm psychoanalyzed  
For my lover, for my lover  
They dope me up and I tell them lies  
For my lover, for my lover

And everybody thinks  
That I'm the fool  
But they don't get  
Any love from you

The things we won't do for love  
I'd climb a mountain if I had to  
Risk my life so I could have you  
You, you, you...

Hier gibt's ein gutes Transkript (sogar perfekt, würde ich sagen - aber so kriegen wir's nicht hin), aber gute Orientierung: <http://www.songsterr.com/a/wsa/tracy-chapman-for-my-lover-tab-s4644t0>
